<b>United States District Court For the District of Massachusetts 1 Courthouse Way; Boston, Massachusetts <i>Chief Judge Frank Dennis SAYLOR</i></b>	2023 NOV -9 PM 12: 53 <small>U.S. DISTRICT COURT BOSTON, MASSACHUSETTS</small> <i>Miscellaneous Case # 23-91595-ADB</i>
<b>Re: The Redemption of David George</b>	
<b>Refusal for Cause and Certificate of Exigent Circumstances</b>	

Comes now David George of the YOUNG family and Redeemed. Title 12 USC §411 allows for "Them", "*They* shall be redeemed..." to make demand and be removed from the national debt Special Drawing Rights (SDR) in the same sense as the original verbiage at Section 16 of the 1913 Federal Reserve Act. Gold is fine white powder. Search out "Fed Assets Current" for the latest report and pay attention to Footnote 2. A better definition for SDR (Special Drawing Rights) is, "The measure of social conditioning to blindly endorse the private credit from the local central bank (the US Federal Reserve)."

Dear Clerk of Court;

Recently I, David George am in receipt by mail of three presentsments, 3176 Letters for three tax years 2020-2022. These presentsments are attached and conspicuously marked, "Refusal for Cause". I have looked over the citations in the frivolous penalty letters and there is no connection between the descriptions for frivolous and the remedy written for me by Congress herein described above.

Additionally I have the judicial oath of alleged Chief Judge Frank Dennis SAYLOR and have found it deviant from the form prescribed by Congress. The deviance is subtle yet staggering in blatant fraud considering the specificity standards that attorneys and federal judicial officers would normally be requiring during daily hearings, and upon the face of such pivotal career documentation as the oath of office. This oath of office is likewise Refused for Cause and included which means, that any judge in the District of Massachusetts is disqualified too, whether I can find his or her oath of office, or not. Court review is impracticable and there is no sovereign or judicial immunity from an instant lien. The deviant oath of office constitutes evidence for any B(1)(c) seizure of personal property and any subsequent E(4)(f) hearing.
